network internationally**

GOGLOBAL

| | Exchange | Summer Abroad | Research Abroad | Global Seminars |
|---------------|---|---|---|--|
| What | Study at one of 200 universities across 40 countries during the fall or winter. Transfer credits back | Study at one of 50 universities during the summer. Transfer credits back. | Self-directed or structured programs based on area of study | A UBC course taught by a UBC prof in a location that highlights the content. Get UBC credit |
| Timing | 1 or 2 terms | Summer | 1 term, 2 terms or summer options | Most seminars are run over the summer |
| Costs | Pay UBC tuition rates for a full course load. (Note- There are some experiences where you pay tuition directly to the partner) | Costs vary. Depends on location, and whether housing is included Fees are paid to UBC or partner university depending on the program | You pay fees directly to the partner university | You pay program fees to UBC. Varies between programs. Check what they include and exclude. |
| Awards | Automatically considered for the Go Global Award. Eligible to apply for other awards. | | | |

Funding + Awards

- UBC annually administers over \$1.4 million in international learning awards
- You are automatically considered for many of the awards when you apply
- Most students leave with at least \$1,000, some with up to \$10,000
- In most cases you remain a UBC student and are eligible for UBC awards, scholarships, and financial assistance
- Program and partner based funding available as well
